

Ganden Ngamchö

This year **Ganden Ngamchö**, which commemorates Je Tsongkhapa's parinirvana, is on **Thursday 10th December**. On this day, it is traditional to **pay homage to Je Tsongkhapa with many offerings of lights and prayers**.

This year we **invite** you to **celebrate together online via Zoom at 7pm** Paris time (the codes will be sent to you just before, and the Zoom room can accommodate up to 500 people).

We will recite the Ganden Lha Gyama and the autobiography of Je Tsongkhapa (if you need either of these texts, they will be available on the "announcements" page of the webcast website).
