

Schedule of the teachings in India

As you may have already learned, there has been serious flooding in the Kullu and Manali area.

The damage being quite significant, His Holiness the Dalai Lama decided to cancel these October teachings in Manali, as well as his visit to the monastery of Dhagpo Shedrup Ling in Kais.

As a result, the Venerable Dagpo Rinpoche has just re-written Kais' program.

- October 14, Rinpoche will give a Long Life Initiation,
- From the 15th to the 19th of October, Rinpoche will continue his teaching on the Jampel Shellung,
- On October 20th, the monastery will offer a Long Life Ceremony to Rinpoche.
